PAYMENT METHODS

Payments may be made by bank draft, cheque payable to Marymount International School, or bank transfer. Cash payments are not permitted. Please contact the School for more information.

PAYMENT SCHEDULE

Fees are due in full by 1st June 2022. Alternatively, Marymount will accept payment of 60% of the total amount due by 1st June 2022 and 40% on 1st December 2022. A Confirmation of Acceptance for Studies (CAS), as required by the UK Visa & Immigration authority (UKVI), must be issued to all non UK students. The School supports CAS applications for full boarding students only. The School must be in receipt of 100% of the fees before submission of a CAS application. For students accepted after 1st June 2022, payment is due upon presentation of the invoice. Students will not be admitted to School until payments have been received. A surcharge of 1.5% per calendar month (or part of a month) will be levied monthly (APR 19.56%) should fees be outstanding after the due date(s).

NOTICE REQUIREMENTS

School affairs are organised on an annual basis and it is not possible to reduce the amount of fees or obtain a refund of fees by withdrawing a student part way through the year. A signed Enrolment Agreement becomes binding on 1st May. To withdraw a student from School without penalty, notice must be made in writing prior to 1st May. Please refer to Section 9 of the Parent Contract for complete details regarding notice requirement and applicable penalties should notice be given after 1st May.

MEDICAL INSURANCE & FEES INSURANCE

Medical School Scheme and School Fees Refund Insurance are available for students. The Medical Scheme covers the cost of private medical treatment while the Refund Scheme provides for protection in the event of unexpected absences due to illness or accident. Application forms will be sent to new students with the tuition fee invoice.

BURSARIES

Marymount does not wish financial considerations to deter any prospective student from applying for admission. A full or partial bursary may be awarded based on need and the student's potential to benefit. Application forms are available on request from the Bursar's Office; application should be made as soon as possible as bursary funds are limited.

SCHOOL TRANSPORT

Marymount's School Transport service covers a broad geographic area. Round trip routes are re-evaluated each year to best serve the needs of its current and new families. Fees vary according to distance and demand. Additional information can be obtained from the School's Transport Coordinator.

PRIVATE TUITION & MUSIC LESSONS

Private tuition may be arranged by the School on request to the Deputy Head. However, the contract will be with the Tutor concerned, who will establish the conditions. Payments must be made directly to the Tutor.

ADDITIONAL COSTS

Costs for the IB Diploma Programme and other public examination fees, educational and enrichment field trips, some books, taxis, educational tours, etc. will be billed separately in December 2022, April 2023 and July 2023 and are due on presentation of the invoice. Parents are advised of costs prior to the trip; permission for day students to participate is always required. Boarding student parents are asked to give permission at the beginning of the school year for all trips under £100; permission for any trip over £100 is required.

GRADUATION FEES – £450

(for Senior's graduating in June 2023)

The Graduation Fee covers the cost of Graduation events held at the School. IB examination costs and the optional Graduation Ball are not included. Disbursements for graduands should be settled in advance of graduation.

A student will not be permitted to attend School unless all fees have been received by the due date. There will be no refund of tuition or other fees, either in whole or in part, in the event of any absence, withdrawal or dismissal. School records, Diploma or scholastic credit will not be released until all financial commitments to the School have been met.
